

WELCOME TO OLD TRADITIONS!

Demartino is a family-run, traditional Italian restaurant, serving wholesome Italian food covering all regions in Italy.

Along with our daily specials and extensive pasta dishes, we have a wide selection of fresh fish and meats delivered daily and cooked to perfection by our talented creative chefs.

The restaurant has been an institution within the Fitzrovia area since 1990 and is well-known for its relaxed atmosphere, comfortable surroundings and welcoming staff. The old black and white family photos adorning the walls add to the warmth and friendliness of the venue, making it perfect for any occasion.

In addition to the 60-seater ground floor restaurant, we have a private function room on the lower ground floor which accommodates up to 30 seated guests.

Whatever your requirements, Demartino is the perfect venue to host your special event.

The restaurant is fully air-conditioned.
